Kevin Spivery

Kevin Spivery is one of the deli cooks at Jerry Lee's in Gautier. Spivery has been cooking since the age of 12 when her grandmother, Jessie Spivery, started teaching her and her 12 brothers

and sisters. Spivery says cooking is like a hobby for her that always came naturally. Her favorite things to cook are her chicken and dumplings and her homemade peach cobbler. Spivery says she

loves getting compliments on her food. "They make me feel good and want to cook some more." She said she enjoys working with all her deli coworkers and getting to cook her own recipes.
